SASKATCHEWAN AND MANITOBA GARAGE AUTOMOBILE POLICY

Eligible Risks

SMI is interested in writing garage risks where the exposure to owned vehicles is limited. Thus new and used car dealers are not eligible. All types of automobile repair and service operations are written provided the sale of owned vehicles is not more than incidental to the operation of the garage.

Coverages Available

Third Party Liability up to \$5,000,000. Physical damage cover for owned and customer vehicles with a wide range of deductibles. Open Lot Pilferage is available on owned and customer vehicles. Optional coverage can also be purchased for the garage owner's legal liability for customers' property contained in customers' vehicles while in the garage owner's care.

Property Coverage

The Garage Auto Policy is written in conjunction with the Garage Property and Commercial General Liability Policy written through our Commercial Department. When written together, a loss common to both the property and auto policy will be settled subject to one deductible.
