

Thank you to our clients

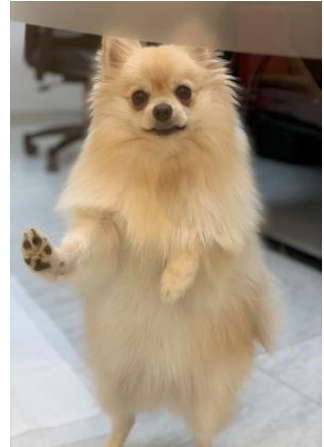

We wanted to take this time to say how truly grateful we are for our amazing customers and the loyalty that all of you have shown us over the last 26 incredible years, but even more in the last 2 crazy years we have experienced together.

This pandemic has been a very hard time for everyone and with that came a lot of reflection for our small office and our work family. Over the last 2 years we have learned the impact that time away from family, friends, even strangers can have on us. So we have made the decision to change our office hours to allow our staff to be more present with their own family and friends.

Effective March 15, 2022 we will be amending our operating hours to 9am-5pm Monday - Friday and we will now be closed on Saturdays and Sundays. We understand that this may not be ideal for everyone however, we are committed to still being as helpful and compassionate about our customer service as ever before.

With the new changes in technology and ability to conduct almost all business by phone or email, we hope that our operating hours will still allow us to serve all of you in the ways that you have come to expect from our office.
